CORRECTION OF OIL, GAS AND MINERAL LEASE

Reference is hereby made to that certain Oil, Gas and Mineral Lease ("Subject Lease") by and between the undersigned Lessor(s) and Dale Property Services, L.L.C., a Texas limited liability company, as Lessee, recorded in the Real Property Records of Tarrant County, Texas on October 22, 2007, Document No. D207376544. Subject Lease was subsequently assigned to Chesapeake Exploration, L.L.C., successor by merger to Chesapeake Exploration Limited Partnership, thereby authorizing Chesapeake to investigate, explore, prospect, drill, and produce oil and gas (reserving to said Lessor the usual royalties), upon the lands described herein, situated in Tarrant County, Texas.

WHEREAS, by that certain Conveyance recorded as Document No. D207437274 of the Official Public Records of Tarrant County, Texas, said Lease is now owned and held in entirety by the undersigned Lessee; and

WHEREAS, the legal description on the Subject Lease mistakenly refers to the leased property as "Lot F, Block 114" of the Wolseley and Farmers Subdivision when the legal description should actually read "Lot F of the Wolseley and Farmers Subdivision," instead; and

WHEREAS the legal description on the Subject Lease mistakenly refers to an incorrect Plat and Dedication number and should read "Volume 659, Page 347" for this property instead; and

WHEREAS, Lessor and Lessee desire to execute this instrument in order to correct the aforementioned mistake;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee do hereby correct and amend the Subject Lease by correcting the legal description thereon as follows:

0.1610 acres of land, more or less, being Lot F in the Wolseley and Farmers Subdivision, an addition to the City of Fort Worth, being more particularly described in metes and bounds in that certain Plat and Dedication recorded in Volume 659, Page 347, in the Deed Records of Tarrant County.

To facilitate execution, this instrument may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature of all persons required to bind any party appear on each counterpart. All counterparts shall

collectively constitute a single instrument. It shall not be necessary in making proof of this instrument to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature pages.

IN WITNESS WHEREOF, this instrument is dated and made effective as of the date of the Subject Lease as set forth above.

EXECUTED effective the 17 day of July, 2008.
